

# MEMORANDUM

TO: Al Rowe

FROM: Lee *Bl for Lee*

DATE: April 8, 1996

SUBJECT: Milford Distribution System extra 1.5% delinquent charge

Al, we need you to add the Milford Distribution System to the program that calculates the extra 1.5% per month interest on the Provo and Logan distribution assessments. This interest will be in addition to the 10% delinquent penalty that is now imposed on delinquent accounts on June 1, each year.

We need this procedure to be put into effect as soon as you can possibly do it.

Thanks.
